

The full crash report summaries from MVPD are intentionally not included in this repository because we did not obtain permission to publish them at the time of writing. Instead, this is an example file to demonstrate the PDF highlighter.

Report #123456

Description: A driver hit a pedestrian in a crosswalk while exiting a driveway. Lorem ipsum dolor sit amet

Report #1234567

Description: This is an irrelevant report that has nothing to do with the topic we are concerned about.
